

End User License Agreement

- 1) Under this End User License Agreement (the "Agreement"), Kinetics Drive Solutions Inc. ("KINETICS") grants to the user (the "Licensee") a non-exclusive and non-transferable license to use - the software product - (the "Software").
- 2) "Software" includes executable computer programs, source code, diagnostic interface(s) and any related data, printed, electronic or online, as well as any other information provided to the Licensee with the controller.
- 3) By installing and activating the controller in the Licensee's property or by otherwise accessing the Software in any manner, the Licensee agrees to be bound by the terms of this Agreement.
- 4) Title, copyright, intellectual property rights and distribution rights of the Software remain exclusively with KINETICS.
- 5) This Agreement constitutes a license for use of the Software only with the controller containing the Software and is not in any way a transfer of ownership rights in the Software to the Licensee, a license authorizing the Licensee to transfer the Software to another controller or to any other device, or a license authorizing the Licensee to re-purpose the Software to any other application.
- 6) The rights and obligations of this Agreement are granted to the Licensee only, and cannot be transferred by the Licensee to any other entity in any method whatsoever.
- 7) The Software shall not be modified, reverse-engineered, or de-compiled in any manner through current or future available technologies by the Licensee or by any entity acting for the Licensee.
- 8) Failure to comply with any of the terms of this Agreement by the Licensee shall be considered a material breach of this Agreement by the Licensee, entitling KINETICS to take such actions as it deems appropriate including, without limiting the options available, seeking any remedy KINETICS deems appropriate from a court of competent jurisdiction.
- 9) The original purchase price of the controller and the Software constitutes the entire license fee payable by the Licensee and is the full consideration due for this Agreement.
- 10) KINETICS expressly disclaims offering any warranty for the Software. The Software is provided "as is" without warranty of any kind, either express or implied, including, without limitation, any implied warranties for merchantability, fitness for a particular purpose, or non-infringement. The entire risk arising out of use or performance of the Software remains with the Licensee.
- 11) In no event shall KINETICS be liable for any special, consequential, incidental or indirect damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use the Software, even if KINETICS is aware of the possibility of such damages arising from the use of the Software by the Licensee.
- 12) Licensee agrees to hold the Software in confidence and will not disclose the Software, the terms and conditions of this Agreement, or the existence of this Agreement other than to those entities who have a need to know or have to access the Software in order to fulfill their obligations to the Licensee.
